JUNIOR BEGINNERS

Our junior lessons are well managed in a secure environment, with fully qualified PGA Professionals. We want your child to be safe, have fun and learn more about golf. All Ace Academy Professionals are fully CRB checked and are NSPCC approved because your child's safety is paramount to us. Working in conjunction with The Golf Foundation we operate The Junior Golf Passport Scheme.

The Passport is a 5 level structured programme designed to introduce new children to golf, as well as develop the knowledge and skills of children already enjoying the game. The Golf Foundation emphasis is on having fun while learning. The Passport Programme covers all aspects of the game from Putting, Long Game, Short Game to Rules and Etiquette. Each level lasts 6 weeks for one hour per week and is open to all children from age 6 upwards.

Cost is £60 per child per 6 week level and includes tuition and use of the practice facilities.

FREE TASTER SESSIONS

FREE taster sessions are run throughout the year. This is an ideal opportunity for you to come and have a go at playing golf. These lessons are set in a friendly and relaxed atmosphere and completely free of charge. All equipment will be provided along with use of the driving range. Free Taster Sessions are available for both adults and juniors every month.

ADULT BEGINNERS

Our group coaching will consist of 6 x 1 hour lessons to take you from a complete beginner to being able to play on the par 3 course. Covering the fundamentals of the set up and the swing as well as starting to introduce some of the short game areas such as putting and chipping. Adult Group Coaching starts at ACE Level 1 and progresses to ACE Level 3 by which time you will be playing on the main golf course.

The cost for each level is £85.00 per person and includes range balls and use of equipment

KIDS GOLF CAMPS

We will be offering junior golf camps through all the school holidays. The camps are for your child to come and have fun, improve or learn golf and make some new friends. The days will consist of lessons on the range, putting, chipping, pitching and bunker practice. The children will also play on the par 3 castle course and learn all aspects of playing golf.

Cost is £99 per child for all 3 days or £40 per child per day and includes full use of the practice facilities, tuition and play on the par 3 course.

All they need to bring is a packed lunch.
