

ACE JUNIORS

Our junior lessons are well managed in a secure environment, with fully qualified PGA Professionals. We want your child to be safe, have fun and learn more about golf. All Ace Academy Professionals are fully CRB checked and are NSPCC approved because your child's safety is paramount to us. Working in conjunction with The Golf Foundation we operate The Junior Golf Passport Scheme. The Passport is a 5 level structured programme designed to introduce new children to golf, as well as develop the knowledge and skills of children already enjoying the game.

The Golf Foundation emphasis is on having fun while learning. The Passport Programme covers all aspects of the game from Putting, Long Game, Short Game to Rules and Etiquette. Each level lasts 6 weeks for one hour per week and is open to all children from age 6 upwards.

Children learn in 3 ways with ACE –
